

Called Forward  Together in Christ

## Northern Illinois Synod Youth Assembly

June 15 and 16, 2017

*Where Youth are the voice*

This year the youth will gather the night before synod assembly to have fun and learn how God calls us to share the Good News.

This year music and worship leadership will be provided by the Glocal Musician-Educators of the ELCA. These musicians were formed by ELCA Global Mission to provide musical leadership for the Glocal Mission Gatherings hosted by congregations and other Christian communities throughout North America and the Caribbean. Through its intentional diversity—including representation from many countries, denominations, and several cultures—the group embodies ways to stand in mutual solidarity while amplifying marginalized voices.

Due to changes with inviting more youth to participate in Synod Assembly we are gathering the night before and, this way, the youth participating in Synod Assembly may go directly to assembly. Those not participating may return home with their youth groups.
