

SR. HIGH YOUTH & BISHOP CLEMENTS

• SUMMER GLOW •

SEPTEMBER 16 4PM

This summer, Lutheran youth set off from Rockford to places far and wide. Many had an adventure like no other at the youth gathering in Houston. Others saw God at work on mission trips to places like the nation's capital and Tennessee.

As the school year gets underway, the light from these trips can seem far away for our students. We will share in a meal, play games, and look back on the summer with joy.

Bishop Clements will be there, too, to listen to our students as we imagine how we can use the summer's events to shine a light on our future in Christ.
