INTRODUCTION to the *Constitution for Synods*

The *Constitution for Synods*, like the other governing documents of this church, reflects the theology and polity of this church as it organizes itself to preach the gospel of Jesus Christ, share the sacraments, reach out to the neighbor with good news, and share the love of God in the world. Each expression of this church — churchwide, synod and congregation — is held together in a relationship of interdependence that encourages each to respond to its context. These documents also demonstrate our commitment to seeing ourselves with others as part of the one, holy, catholic, and apostolic Church. As such, the *Constitution for Synods* is deeply rooted in Scripture, the Lutheran Confessions, and the history of this church and its predecessors.

The *Constitution for Synods* was adopted by the Constituting Convention of the Evangelical Lutheran Church in America, as required by the *Constitution, Bylaws, and Continuing Resolutions of the Evangelical Lutheran Church in America*. This current edition of the *Constitution for Synods* contains changes adopted by all churchwide assemblies, including the fifteenth Churchwide Assembly in 2019. It is consistent with the requirements of the governing documents of the ELCA's churchwide organization, and it provides organizational flexibility to recognize local context.

► **Required provisions:** Sections of the *Constitution for Synods* marked by a dagger [†] are required provisions. These sections, including constitutional provisions and bylaws, must be used without alteration or amendment of the text in any manner (i.e., neither additions nor deletions are permissible). In accordance with provision †S18.11, amendments to required provisions in the *Constitution for Synods* passed by the Churchwide Assembly are automatically incorporated into the constitutions of individual synods upon formal certification by the secretary of this church. Because the secretary has provided such certification following the 2019 Churchwide Assembly, required provisions marked by a dagger [†] have been incorporated into synod constitutions.

► **Codification explanation:** The *Constitution for Synods*, like the *Constitution, Bylaws, and Continuing Resolutions of the Evangelical Lutheran Church in America* and the *Model Constitution for Congregations*, is organized into chapters by general subject matter and codified as (a) constitutional provisions, (b) bylaws, and (c) continuing resolutions. Each provision is preceded by a capital “S.” If a provision is mandatory, it will be preceded by a dagger, “†S.”

- a. Constitutional provisions are codified with two sets of numbers, preceded by an “S”: the chapter number, followed by a period and a two-digit number. A period follows the two-digit number. Thus, one required constitutional provision related to “Conferences, Clusters, Coalitions, Area Subdivisions, and Networks” in Chapter 12 is codified as “†S12.01.” In accordance with Chapter 18, titled “Amendments, Bylaws, and Continuing Resolutions,” there are three types of constitutional provisions in each synod’s constitution:
 1. Required constitutional provisions adopted by the Churchwide Assembly are designated by a dagger “†”, as discussed above (†S18.11.);
 2. Recommended constitutional provisions adopted by the Churchwide Assembly may be adopted by majority vote at one meeting of the Synod Assembly (†S18.12.);
 3. Other constitutional provisions, including different versions of the recommended provisions referred to in the previous paragraph, may be initiated in and adopted by individual synods, but such provisions may not conflict with the *Constitution, Bylaws, and Continuing Resolutions of the Evangelical Lutheran Church in America*. Such synod constitutional amendments are adopted and become effective in accordance with †S18.13.
- b. Bylaws follow constitutional provisions to which they apply. They are not intended to be organized in a separate document at the end of the constitutional provisions. Bylaws are codified with three sets of numbers: the chapter number (preceded by an “S”), the related constitutional provision number, and a two-digit number. There are periods after the chapter number, after the reference to the constitutional provision, and after the bylaw number. Thus, a bylaw relating to synod networks would be codified as “S12.01.01.” Although the *Constitution for Synods* contains some required bylaws, there is not a model set of bylaws or continuing resolutions because bylaws and continuing resolutions normally relate to specific practices and details of each synod’s organization, operation, and life. Thus, each synod has discretion and may develop its own bylaws and continuing resolutions, including bylaws and continuing resolutions under required constitutional provisions, but no such bylaw or continuing resolution may conflict with constitutional provisions in the *Constitution for Synods*, mandatory synod bylaws, or with the *Constitution, Bylaws, and Continuing Resolutions of the Evangelical Lutheran Church in America*. Bylaws are adopted and amended in accordance with Chapter 18. Newly adopted bylaws or amendments to bylaws shall be reported to the secretary of this church.

- c. Continuing resolutions are intended to provide descriptions of operational patterns and practices or of the ongoing responsibilities of committees or other units within the organizational structure of the synod. They follow the relevant constitutional provision or bylaw to which they refer. Continuing resolutions also are codified with three sets of numbers, except that the third set is preceded by a capital letter. Thus, a continuing resolution describing the contents of a Synod Council report to the Synod Assembly in Chapter 10 might be numbered “S10.03.A19.” The initial numbers “S10.03” indicate that the continuing resolution relates to the designated constitutional provision, which in this case states that the functions of the Synod Council include providing a report to the regular meeting of the Synod Assembly. The final letter and numbers “A19” designate that this is the first continuing resolution “A” and the year that it was adopted, in this example 2019. Continuing resolutions are adopted and amended in accordance with Chapter 18. Unlike constitutional provisions and bylaws, continuing resolutions may be adopted either at a legally called and conducted meeting of the Synod Assembly (by a majority vote) or by the Synod Council (by a two-thirds vote). New continuing resolutions or amendments to existing continuing resolutions shall be reported to the secretary of this church.

► **Missing numbers:** You will notice that certain numbers are missing from the numbering sequence in some chapters. These omissions are intentional. For example, in some chapters the number “.10.” and multiples thereof have been reserved for possible use as section headings in future editions.

► **Selection of options:** Alternatives are provided in some places within the *Constitution for Synods*. Alternatives are noted by brackets or blank lines. For example, constitutional provision †S8.51. allows synods to choose the length of terms for the vice president, secretary, and treasurer. The appropriate number of years should be filled in by each synod. In addition, †S8.51.c. provides that the treasurer may be elected by the Synod Assembly or appointed by the Synod Council. Each synod should select one of those options.

► **References to church:** In the governing documents, “Church” with a capital letter refers to the one, holy, catholic, and apostolic Church. The words “church” or “this church” in lower case letters refer to the Evangelical Lutheran Church in America.

► **Consultation and concluding comments:** In order to assist synods, the Office of the Secretary is available for consultation, both about potential amendments to the *Constitution for Synods* and about the review process for congregational constitutions. The important task of amending a constitution is challenging. It is, however, an essential endeavor that merits thoughtful work. In addressing the synod’s constitutional responsibilities, may God grant you and your colleagues wisdom, discernment, and commitment to the unity of this church in faithful witness to our Lord and Savior, Jesus Christ.

Chapter 4.

CONFESSION OF FAITH

- †S4.01. This synod confesses the Triune God, Father, Son, and Holy Spirit.
- †S4.02. This synod confesses Jesus Christ as Lord and Savior and the Gospel as the power of God for the salvation of all who believe.
 - a. Jesus Christ is the Word of God incarnate, through whom everything was made and through whose life, death, and resurrection God fashions a new creation.
 - b. The proclamation of God’s message to us as both Law and Gospel is the Word of God, revealing judgment and mercy through word and deed, beginning with the Word in creation, continuing in the history of Israel, and centering in all its fullness in the person and work of Jesus Christ.
 - c. The canonical Scriptures of the Old and New Testaments are the written Word of God. Inspired by God’s Spirit speaking through their authors, they record and announce God’s revelation centering in Jesus Christ. Through them God’s Spirit speaks to us to create and sustain Christian faith and fellowship for service in the world.
- †S4.03. This synod accepts the canonical Scriptures of the Old and New Testaments as the inspired Word of God and the authoritative source and norm of its proclamation, faith, and life.
- †S4.04. This synod accepts the Apostles’, Nicene, and Athanasian Creeds as true declarations of the faith of this synod.

- †S4.05. This synod accepts the Unaltered Augsburg Confession as a true witness to the Gospel, acknowledging as one with it in faith and doctrine all churches that likewise accept the teachings of the Unaltered Augsburg Confession.
- †S4.06. This synod accepts the other confessional writings in the Book of Concord, namely, the Apology of the Augsburg Confession, the Smalcald Articles and the Treatise, the Small Catechism, the Large Catechism, and the Formula of Concord, as further valid interpretations of the faith of the Church.
- †S4.07. This synod confesses the Gospel, recorded in the Holy Scripture and confessed in the ecumenical creeds and Lutheran confessional writings, as the power of God to create and sustain the Church for God’s mission in the world.

Chapter 5.
NATURE OF THE CHURCH

- †S5.01. All power in the Church belongs to our Lord Jesus Christ, its head. All actions of this synod are to be carried out under his rule and authority.
- †S5.02. This church confesses the one, holy, catholic, and apostolic Church and is resolved to serve Christian unity throughout the world.
- †S5.03. The Church exists both as an inclusive fellowship and as local congregations gathered for worship and Christian service. Congregations find their fulfillment in the universal community of the Church, and the universal Church exists in and through congregations. This church, therefore, derives its character and powers both from the sanction and representation of its congregations and from its inherent nature as an expression of the broader fellowship of the faithful. In length, it acknowledges itself to be in the historic continuity of the communion of saints; in breadth, it expresses the fellowship of believers and congregations in our day.
- †S5.04. This church, inspired and led by the Holy Spirit, participates in The Lutheran World Federation as a global communion of churches, engaging in faithful witness to the gospel of Jesus Christ and in service for the sake of God’s mission in the world.

When the pastorate is declared vacant, the Synod Council shall list the pastor on the roster of Ministers of Word and Sacrament with disability status. Upon removal of the disability and restoration of the pastor to health, the bishop shall take steps to enable the pastor to resume the ministry, either in the congregation last served or in another appropriate call.
 - d. Chapter 15.

FINANCIAL MATTERS

†S15.01. The fiscal year of this synod shall be February 1 through January 31.

†S15.11. Since the congregations, synods, and churchwide organization are interdependent expressions that share in God's mission, all share in the responsibility to develop, implement, and strengthen the financial support of the whole church. The gifts and offerings of the members of the Evangelical Lutheran Church in America are given to support all parts of this church, the unity of this church should be evidenced in determining each part's share of the gifts and offerings. Therefore:

- a. The mission of this church beyond the congregation is to be supported by such a proportionate share of each congregation's annual budget as each congregation determines. This synod shall develop guidelines for determining "proportionate share," and shall consult with congregational leaders to assist each congregation in making its determination.
- b. This synod shall receive the proportionate share of the mission support from its congregations, and shall transmit that percentage or amount of each congregation's mission support as determined in consultation with the churchwide organization and approved by the Synod Assembly as part of its budget consideration.
- c. Should the Synod Assembly not approve the proportionate share of mission support determined in consultation with the churchwide organization, a new consultation with the churchwide organization shall take place. The Synod Council is authorized to amend the budget adopted by the Synod Assembly to reflect the results of this consultation.

†S15.12. The annual budget of this synod shall reflect the entire range of its own activities and its commitment to supportive funding with other synods and the churchwide organization.

S15.13. On the basis of estimated income, the Synod Council shall authorize expenditures within the budget for the fiscal year. Expenditure authorizations shall be subject to revision, in light of changing conditions, by the Synod Council.

S15.14. Except when such procedure would jeopardize current operations, a reserve amounting to no more than 16 percent of the sum of the amounts scheduled in the next year's budget for regular distribution to synod causes shall be carried forward annually for disbursement in the following year in the interest of making possible a more even flow of income to such causes. The exact number of dollars to be held in reserve shall be determined by the Synod Council.

S15.21. No appeal to congregations of this or any other synod of the Evangelical Lutheran Church in America for the raising of funds shall be conducted by congregations or organizations related to or affiliated with this synod without the consent of the Synod Assembly or the Synod Council.

†S15.31. This synod shall arrange to have an annual audit of its financial records conducted by a certified public accountant firm recommended by the synod Audit Committee and approved by the Synod Council. The audited annual financial report shall be submitted by this synod to the churchwide Office of the Treasurer and to the congregations of this

synod. The financial reports shall be in the format approved from time to time by the churchwide Office of the Treasurer.

- †S15.32. This synod shall maintain adequate, continuous insurance coverage in accordance with standards recommended by the churchwide organization. Insurance programs offered or endorsed by the churchwide organization shall be deemed to fulfill this obligation.

Chapter 16.

INDEMNIFICATION

- †S16.01. Subject to the limitations and duties imposed by law, each person who is or was made or threatened to be made a party to any proceeding by reason of the present or former capacity of that person as a Synod Council member, officer, employee, or committee member of this synod shall be indemnified against all costs and expenses incurred by that person in connection with the proceeding. Indemnification of any person by reason of that person's capacity as a director, officer, employee, or committee member of any other organization, regardless of its form or relationship to this synod, is subject to the provisions of section †S16.02.

- a. The term "proceeding" means a threatened, pending, or completed lawsuit, whether civil or criminal, an administrative or investigative matter, arbitration, mediation, alternative dispute resolution, or any other similar legal or governmental action. Except as otherwise required by law, the term "proceeding" does not include (a) any action by this synod against the individual seeking indemnification, or (b) subject to †S16.04., a disciplinary hearing or related process described in Chapter 20 of the *Constitution, Bylaws, and Continuing Resolutions of the Evangelical Lutheran Church in America*.
- b. The term "indemnification" includes reimbursement and advances of costs and expenses for judgments, penalties, fines, settlements, excise taxes, reasonable attorneys' fees, disbursements, and similar required expenditures.

- †S16.02. Whenever a person who, while a Synod Council member, officer, committee member, or employee of this synod, is or was serving at the request of this synod as (or whose duties in that position involve or involved service in the capacity of) a director, officer, partner, trustee, employee, or agent of another organization, is or was made or threatened to be made a party to a proceeding by reason of such capacity, then such person shall be entitled to indemnification only if (a) the Synod Council has established a process for determining whether a person serving in the capacity described in this section shall be entitled to indemnification in any specific case, and (b) that process has been applied in making a specific determination that such person is entitled to indemnification.

S16.02.A95. Process for Determining Persons Entitled To Indemnification Under Northern Illinois Constitution †16.03.

- a. One of the principal purposes of separate incorporation is that each organization should be responsible for its own affairs and liabilities and the conduct of its own directors, officers, and other persons whom the organization entrusted with responsibility.
- b. However, there are occasions when the interest of the Northern Illinois Synod, ELCA, are of sufficient importance that it will agree to indemnify a person who while serving as a Synod Council member officer, employee, or committee member of the Northern Illinois Synod, ELCA, is requested by the Northern Illinois Synod, ELCA, to serve in some capacity for another organization.
- c. Any person who desires the benefit of indemnification under+16.03. shall make written application setting forth the name of the other organization, whether or not this other organization that the applicant holds or will hold, a brief statement as to why the applicant's holding of this position in the other organization is in the interests of the Northern Illinois Synod, ELCA, and a statement that no claim has been asserted against the applicant that would or might entitle the applicant to indemnification under the indemnification right being requested.
- d. The application must be signed by the applicant and must be endorsed by either the Bishop or the Executive Committee.
- e. The applicant may be requested to supply additional information such as the other organization's policy on indemnification, information on the other organization's insurance coverage and financial responsibility, and a description of the responsibilities that the applicant has with relation to the other organization.
- f. The application and any requested additional information should be submitted to and will first be reviewed by the Bishop.
- g. The Bishop shall recommend to the Executive Committee whether the application should be approved. The Executive Committee will decide on behalf of the Synod Council. The action of the Executive Committee will be recorded in its minutes. The applicant will be notified of the Executive Committee's decision.
- h. No member of the Executive Committee shall participate in decisions as to which such member is an applicant
- i. Approval may be granted on a limited basis, examples of which include but are not limited to the approval may cover the applicant's service as a director but not as an officer of the other organization; the approval may be

limited in period of time; the approval may cover civil but not criminal liabilities; the approval may be conditional upon the applicant first seeking indemnification or reimbursement from the other organization or its insurance carrier. Unless otherwise specifically provided by the Executive Committee of the synod Council approval will not entitle any person to indemnification with respect to a claim asserted against her/him prior to such approval.

j. If the other organization is not a corporation, indemnification under +16.03. shall be provided only in exceptional cases.

†S16.03. This synod may purchase and maintain insurance on behalf of itself or any person entitled to indemnification pursuant to this chapter against any liability asserted against and incurred by this synod or by such other person in or arising from a capacity described in section †S16.01. or section †S16.02.

†S16.04. When written charges against a rostered minister of this church are made in disciplinary proceedings under Chapter 20 of the *Constitution, Bylaws, and Continuing Resolutions of the Evangelical Lutheran Church in America* by the synod bishop or when written charges against a congregation are made in disciplinary proceedings by the Synod Council or the synod bishop, and the discipline hearing committee determines that no discipline shall be imposed, then if such determination is not reversed or set aside on appeal, indemnification shall be made by the synod to the accused for reasonable attorney's fees and other reasonable expenses related to the defense of the charges. The determination of the reasonableness of such fees and expenses shall be decided by the Synod Council.

Chapter 17.

CONSULTATION AND ADJUDICATION

†S17.01. The synod bishop and the Executive Committee of the Synod Council shall be available to give counsel when disputes arise within this synod.

†S17.02. The synod bishop and the Executive Committee of the Synod Council shall receive expressions of concern from rostered ministers of this church, congregations, and organizations within this synod; provide a forum in which the parties concerned can seek to work out matters causing distress or conflict; and make appropriate recommendations for their resolution. When a concern relates directly to the synod bishop, the synod vice president will lead the Executive Committee's efforts at resolving the matter. When the matter at issue cannot be resolved in this manner, applicable procedures for investigation, decision, appeal, and adjudication shall be followed. Allegations or charges that could lead to the discipline of a rostered minister of this church shall not be addressed by the Executive Committee but shall be resolved through the disciplinary process set forth in the *Constitution, Bylaws, and Continuing Resolutions of the Evangelical Lutheran Church in America*.

†S17.03. When there is disagreement between or among congregations of this synod on a substantive issue that cannot be resolved by the parties, the council of an affected congregation may petition the synod bishop for a consultation after informing the other affected congregation(s) of its intent to do so. If this consultation fails to resolve the issue, the bishop shall refer the matter to the Consultation Committee of the synod, which shall undertake efforts to find an appropriate solution. If the Consultation Committee's efforts fail to resolve the issue(s), the entire matter shall be referred to the Synod Council for adjudication by whatever process the council deems necessary. The decision of the Synod Council shall be final.

†S17.04. When conferences, clusters, coalitions, or area subdivisions of this synod have a disagreement on a substantive issue that they cannot resolve, the aggrieved party or parties may petition the synod bishop and the Executive Committee of the Synod Council requesting a consultation after informing the other affected parties of their intent to do so. In this case the decision of the Executive Committee shall prevail, except that, upon the motion of a member of the Synod Council, the decision shall be referred to the Synod Council for final action.

†S17.10. Adjudication in a Congregation

†S17.11. When there is disagreement between or among factions within a congregation on a substantive issue which cannot be resolved by the parties, members of the congregation may petition the synod bishop for consultation after informing the president of the Congregation Council of their intent to do so. The synod bishop shall seek a timely resolution of the dispute. If the issue relates directly to the pastor, the bishop may begin the process in †S14.18.d. In all other matters, if the bishop's consultation fails to resolve the issue, the bishop shall refer the matter to the Consultation Committee of the synod, which shall undertake efforts to find an appropriate solution. If the Consultation Committee's efforts fail to resolve the dispute, the entire matter shall be referred to the Synod Council for adjudication by whatever process the council deems necessary. The Synod Council's decision shall be final.

Chapter 18.

If such provisions are amended by the Churchwide Assembly, corresponding amendments shall be introduced at once into this constitution by the secretary of this synod upon receipt of formal certification thereof from the secretary of the Evangelical Lutheran Church in America.

†S18.12. Whenever the secretary of the Evangelical Lutheran Church in America officially informs this synod that the Churchwide Assembly has amended the *Constitution for Synods*, this constitution may be amended to reflect any such amendment by a majority vote at any subsequent meeting of the Synod Assembly without presentation at a prior Synod Assembly. An amendment that is identical to a provision of the *Constitution for Synods* shall be deemed to have been ratified upon its adoption by this synod. The Church Council, through the secretary of this church, shall be given prompt notification of its adoption.

†S18.13. Other amendments to this constitution may be adopted by this synod through either of the following procedures:

- a. Introduced with the support of at least ten voting members and having been approved by a two-thirds vote of the voting members present and voting at a regular meeting of the Synod Assembly, an amendment may be adopted unchanged by a two-thirds vote at the next regular meeting of the Synod Assembly.
- b. The Synod Council may propose an amendment, with notice to be sent to the congregations of this synod at least six months prior to the next regular meeting of the Synod Assembly. Such an amendment shall require for adoption a two-thirds vote of the voting members present and voting at such a regular meeting of the Synod Assembly.

All such amendments shall become effective upon ratification by the Churchwide Assembly or by the Church Council.

†S18.20. **Amendments to Bylaws**

†S18.21. This synod may adopt bylaws not in conflict with this constitution or with the constitution and bylaws of the churchwide organization. This synod may amend its bylaws at any meeting of the Synod Assembly by a two-thirds vote of voting members of the assembly present and voting.
